COMBINATION/ OILY SKIN

Oil Free Cleanser

- Effective non-drying cleansing milk removes excess oil, pollution, dirt and makeup
- Soothes redness and irritation caused by breakouts
- Specially formulated with micro encapsulated oils that break down pollution and makeup without clogging the pores

Ingredients: Thyme, Witch Hazel, Rosemary Extracts, Cucumber, Calendula Extracts

SKU 100ml / 200 ml Tube

Pore Tightening Toner

- Gentle, non-drying astringent completes the cleansing process by removing dead cells, dirt and pollution loosened with deep cleanser
- Offers an antiseptic action
- Soothes and hydrates the skin

Ingredients: Sage, Witch Hazel, Rosemary Extracts, Chamomile, Aloe

SKU 100ml / 250ml Bottle

Sebum Control Lotion (Day Protection)

- Germicidal protecting lotion soothes and calms oily skin, prone to breakouts
- Helps replicate a healthy skin's lipid layer to correct the pH and help slow the over production of oil
- Helps disinfect and stabilize sebaceous glands
 - Helps counter-acne inflammation and relieve redness

Ingredients: Proteins, Amino Acids, Extracts of Burdock Root, Cinnamon, Sage, Thyme

SKU 100ml / 200 ml Tube

Skin Balancing Cream

- Specially formulated to control breakouts by forming a strong antimicrobial barrier
- Helps to stabilize sebaceous glands activity
- Reduces irritation and redness
- Helps regulate bacterial flora and provides nutrients required for good skin cell health

Ingredients: Marine Elements, Lipo-Amino Acids, Retinol, Sage, Yarrow, Hamamelis Extracts

Moisture / 200ml Tube

Note: With the use of this product, the sebaceous material produced by your skin during the night will remain in a liquid state instead of hardening and clogging the pores. In the morning this may seem like a heavy layer of oiliness on the surface of your skin, however, the oils will be easy to remove with a cleanser. With consistent use the liquid sebaceous material will help regulate and calm the over productive sebaceous glands.
